MEDIA RELEASE

Candidates for Northern Victoria Region

Country Alliance has announced its candidates for the upper house seat of Northern Victoria Region in the lead up to this year's Victorian State Election in November.

Mildura farmer, Danny Lee, has been selected as Country Alliance's number 1 candidate, and Bendigo technician, Fred Goodwin, has been selected as the party's number 2 candidate.

Alliance spokesperson, Russell Bate, said Mr Lee and Mr Goodwin are outstanding candidates to represent the party on its ticket for the Northern Victoria Region which runs from Mildura to Wodonga and takes in Healesville and Bendigo.

"Danny and Fred have both shown an incredible amount of enthusiasm, knowledge and appreciation of issues confronting the Northern Victoria Region," he said.

"They have demonstrated to us that they have a great appreciation of the electorate which is both demographically and geographically diverse."

Mr Bate said announcements on Country Alliance's candidates for the Western Victoria Region will be made shortly and candidates for the Eastern Victoria Region will follow shortly thereafter.
